

YSHIELD® BSTS | SAFECAVE Shielding tent | Size SINGLE

Sewn from a high-quality silver fabric with 47 dB attenuation. Size SINGLE in width 100 cm, depth 205 cm, height 160 cm.

Properties

When choosing a product of our SAFECAVE series, you are choosing canopies and tents to shield your sleeping space, living space or workspace. As the term SAFECAVE indicates already, you are creating **your own safe cave** against electromagnetic fields.

Shielded sleeping tent in size SINGLE for one person, that is easy to assemble with only 2 long rods. It is closed on all sides with silver fabric and zippers for perfect shielding. We recommend a mattress on the floor for sleeping. A cost-effective means of shielding your sleeping area for your home or when travelling. **Entrance:** The tent can be entered through an opening at the side with a zipper.

Sewn with a high quality silver fabric with high transparency and air permeability. **Unique in this price class is the high shielding attenuation of 47 dB.**

The pop up tent is a hygiene product, a return or exchange is therefore not possible!

Technical data

- Outer dimensions: Width 100 cm, depth 205 cm, height 160 cm (+/- 5% tolerance)
- The inner dimensions are perfect for **mattresses up to 90 cm width.**
- **Attenuation: 47 dB**
- Color: Silver-beige
